Attorneys for Plaintiff and Counterdefendant
Technology Licensing Corporation

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

TECHNOLOGY LICENSING,
CORPORATION, a Nevada corporation

Plaintiff,

v.

TECHNICOLOR USA, INC.,
a Delaware corporation

Defendant.

Case No. CIV S-03-1329 WBS EFB

**TECHNOLOGY LICENSING
CORPORATION'S LOCAL RULE
144(E) EX PARTE APPLICATION TO
SHORTEN TIME REGARDING ITS
MOTION TO DISMISS**

**JUDGE: Judge WILLIAM B. SHUBB
DEPT.: Courtroom 5**

TECHNOLOGY LICENSING CORPORATION'S
LOCAL RULE 144(E) EX PARTE APPLICATION TO
SHORTEN TIME REGARDING ITS MOTION TO DISMISS

PLEASE TAKE NOTICE THAT, pursuant to Civ. L.R. 144(e), Plaintiff, Technology Licensing Corporation (“TLC”), seeks an order granting its ex parte application to shorten time on its Motion To Dismiss Pursuant to the Judgment of March 31, 2011. As set forth by the attached Affidavit of Paul C. Gibbons, the earliest Plaintiff's Motion to Dismiss may be heard by the Court is July 5, 2011, seven weeks from now. Plaintiff's motion to dismiss is case dispositive, and shortening time will enable the Court and the parties to conserve resources with respect to other pending motions and also the financial drain incurred by the parties as the Special Master attempts to finish another section of his report on claim construction.

Counsel for Plaintiff has contacted the Court about filing this ex parte application, as well as counsel for Defendant, who indicated that Defendant would not stipulate to the shortening of time.

Plaintiff therefore respectfully requests the granting of its ex parte application to shorten time with respect to its pending motion to dismiss.

Dated: May 17, 2011

Respectfully submitted,

/s/Paul C. Gibbons
